How have you been involved with Lutheran Island Camp?

Staff, Volunteer, Camper

Please share with us one or more of your favorite memories at Lutheran Island

Camp. Some of my favorite camp memories are the summers on staff at camp - working with campers and fellow counselors. I also love the atmosphere of Family Weeks and being on the island for our family reunions.

Tell us how God has worked through camp in your life.

Camp is a completely unique experience from anything else on earth. Where else can you spend 1 week with people who instantly become your lifelong friends? Beginning as a child going to August Family Week, I looked forward to going to camp all summer long. As a volunteer during my teenage years, camp shaped the person I became, strengthening me in my faith to share Jesus with the outside world. As a staff member during my early to mid-twenties, I was privileged to lead summer staff in making a difference to campers week in and week out. Now as a camper and volunteer, I love to be on the island, enjoying the beauty and peace in God's wonderful creation. I feel invested in Lutheran Island Camp, and I love to witness new people taking in the island that has been my second home since I was about 2 years old.

Please feel free to share a personal update with other alumni in the space below.
