How have you been involved with Lutheran Island Camp?

Staff, Volunteer, Camper

Please share with us one or more of your favorite memories at Lutheran Island Camp.

As a camper I remember the one on one prayer time. I still remember praying down at the waterfront and how it impacted me as a young high school student. As a counselor I remember singing with the campers and staff in the chapel and singing the "Camp Rouser." I remembered being interviewed at Concordia College in St. Paul by the director Bill Schultz and how thrilled I was when I was offered the opportunity to serve at Lutheran Island Camp. As camp director there have been so many blessings to even list them all. I truly enjoy training the staff and leading them in Bible study. It is a joy for me to also lead camper devotions at the point.

Tell us how God has worked through camp in your life.

Here at Lutheran Island Camp God has blessed me with His grace and mercy through Jesus Christ. It is a privilege for me to serve His people in this special place. Daily I see how He works in and through the lives of people as they come in contact with His Word and how He blesses us through His creation. My life is so much richer because of the people He brings me into contact with here at this Island. Lastly, it is a privilege to raise my family here on the Island.

Please feel free to share a personal update with other alumni in the space below.
