

Name: Julie Martini (Salmonson)

How have you been involved with Lutheran Island Camp?

Staff, Camper

Please share with us one or more of your favorite memories at Lutheran Island Camp.

I was a camper from 1983-1987 (I think those years are right) and a counselor the summer of 1992 (Snoopy). LIC has always been a very special place for me. I have always felt closest to God when I have been on the island. I remember being a camper going home "high" on God. What an awesome feeling for a young person to experience. Some of my best memories have been connected to the songs from camp. The Camp Rouser, Beloved, Love the Lord, Happy Day, Some Trust in Chariots, A Merry Heart, Walking Daily with Jesus, Sing Alleluia, Seek ye First, For those tears, I will call upon the Lord, Step by Step... and list just seems to go on and on in my memory... I hope that LIC continues to bring many young people to Jesus Christ. What a blessing...

Tell us how God has worked through camp in your life.

LIC was a very important part of my faith formation. I can still remember very specific bible studies and talks that some of my counselors did with us and how that helped shape what I believe. It continues to amaze me how clear some of those memories still are even though they are 20+ years ago.

Please feel free to share a personal update with other alumni in the space below.

I am living with my family in Prior Lake, MN (southwest twin cities). My husband, Dave and I have two boys 13 and 10. Through facebook have reconnected with some friends that I went to camp with in the 80's plus some of the staff I worked with in '92.
