How have you been involved with Lutheran Island Camp?

Staff, Volunteer, Camper

Please share with us one or more of your favorite memories at Lutheran Island

Camp. Too many to narrow down to one.....however, we (the staff of 2001) have an annual reunion on the island over New Year's each year and it gets better every year! We are reigning broomball champions and encourage anyone to come and play with us!

Tell us how God has worked through camp in your life.

I have made friends that even though we see each other once per year or even less, we pick up right where we left off. That is the definition, in my mind, of a true friend. I believe that is possible because we all share the same foundation.

Please feel free to share a personal update with other alumni in the space below.

Owner and Doctor of Chiropractic at Back On Track Chiropractic in St. Cloud, Mn since 2003. No kids but two horses, two cats and a Samoyed dog! I keep in contact with my '01 staff, have been to the weddings, the baby showers, the funerals of their family members, etc.....they are VERY important to me!
