How have you been involved with Lutheran Island Camp?

Staff, Camper

Please share with us one or more of your favorite memories at Lutheran Island

Camp. On July 4th, 1978, Paul proposed to me on the kissing rock! I said "yes"! Since then, every year when we leave family week to start the long ride home, Paul will stop the car at the rock, walk around to open my door, take my hand and walk me to the kissing rock. What happens then, our kids just roll their eyes at!! Thanks, LIC, for what you are in so many people's lives.

Tell us how God has worked through camp in your life.

There are so many ways that God has worked through my life as a result of my involvement at Lutheran Island Camp. The one I treasure the most is the scripture songs that we learned and taught our campers the summer of 1977. I still sing them, share them here on the west side of our country and use them in ministry. I have returned to them again and again for comfort and for worship.

Please feel free to share a personal update with other alumni in the space below.

Paul and I live in Spokane, Wa and have since 1996. We have two grown daughters who both work in the education field. Paul's entire career has been with the Army Corp of Engineers and has given us the opportunity to live twice in Europe. We still go to July Family Week every year and it has become a treasured part of our summer.
