Teen Trek Winter Extravaganza

Brian Young has a passion for sharing Christ and teaching about creation.

Join other teens from around the region as they discuss creation and evolution. Brian Young will be leading the group as we look at such topics as: **God's Amazing Animals, Scientific Evidence of a Young Earth and Lies in the Text-**

book. The weekend will be an amazing opportunity for growth, education, fellowship and fun. We've applied for a grant to lower the cost of \$89, but even at that price, it is well worth it.
